

# Actor Needed

## for Invisible Theater Project

Looking for male or trans male actor between age 25-32 to pose as a fictional Stanford student in a real-life setting. Heavy improvisation required, in accordance with predetermined character traits and fictional background.

It is critical to remain discreet for the duration of the project and not share details with friends or reveal yourself in performance.

2 or 3 "performances" sporadically through 2019, scheduled in deference to your availability. \$20 per hour, negotiable.
