

Want to LOVE your body?

The Stanford University Department of Psychiatry is evaluating a brief, 4-session computer program designed to help young women feel better about their bodies.

Participants will complete a 10-minute computer task once a week, for four weeks. You will receive a \$5 gift card to Starbucks® after completing each of THREE post-treatment assessments.

We are currently recruiting:

- Female Stanford students
- Undergraduates and graduates
- Ages 18-30
- Want to feel better about their bodies!

For more information, contact Clare Purvis at (650) 725-5393 or ckppsyd@stanford.edu

If you have any questions about research or your rights as a research study subject, please contact the Stanford University Institutional Review Board (IRB) to speak to an informed individual who is independent of the research team at (650) 725-5394 or call free at 1-800-486-3004.
